Note:

The purchase of a so-called volume license (incl. classroom, school or campus license) entitles you to use the products simultaneously on as many computers as you have purchased licenses for. Notwithstanding this, you may install the products on an unlimited number of computers; simultaneous use, however, will be limited to the number of purchased licenses. If you install the products on more computers than you have purchased licenses for, you will have to purchase additional volume license codec packages for the number of computers that go beyond the number of purchased licenses. To do so, please contact our sales department via email (volumelicense-us@magix.net).
