

# VEGAS Pro 365 Factsheet

## What is VEGAS Pro 365?

VEGAS Pro 365 is a first-of-its-kind subscription-based-offering of VEGAS Pro. This version offers a complete video and audio editing solution with all the features of VEGAS Pro 15 and SOUND FORGE Audio Studio 12, along with online training courses to learn VEGAS Pro.

## What are its advantages?

**Always up to date:** the latest upgrades, updates, features, and patches for VEGAS Pro are automatically integrated into VEGAS Pro 365.

**Video and audio production in one package:** In addition to all the features of VEGAS Pro, our subscribers also have SOUND FORGE Audio Studio at their disposal.

**High end plug-ins:** NewBlueFX Filters Ultimate, HitFilm Movie Essentials, VEGAS DVD architect, Ozone Elements 8 by iZotope

**Additional services:** Exclusive online training to accelerate the learning curve of professional video editing with VEGAS Pro.

**More flexibility:** VEGAS Pro 365 can be purchased for a term of 3 months or 12 months

**Best value for money:** \$59.97 for 3 month plan, \$199.99 for 12 month plan

## Who benefits from VEGAS Pro 365?

Aspiring filmmakers and enthusiasts who want to enter professional video editing at an affordable price. Flexible plans and additional services like online training for VEGAS Pro help to make their learning curve even faster.

# VEGAS Pro 365 Factsheet

## VEGAS Pro family gets bigger!

VEGAS Pro 365 is an addition to the existing 3 versions of VEGAS Pro family:

- VEGAS Pro 15 Edit
- VEGAS Pro 15
- VEGAS Pro 15 Suite
- VEGAS Pro 365

Traditional perpetual licensed versions of VEGAS Pro can be purchased and used – same as before.

All projects can be edited offline in VEGAS Pro 365, with full access to your projects even after the end of your term. They are also fully accessible and editable by any other version of VEGAS Pro at any time.
